### THE ANAL QUESTION

Dear JUST 18: I've been reading that more and more college-aged girls are doing anal than ever before. Is that true? Back when I was in school, it took a month before a girl would even go down on me. Now these girls are giving up the backdoor before they even get married?! That's crazy and even further proof that I was born way too early. I gotta tell you, it was on my first wedding anniversary that I finally convince my wife to take it up the ass, and boy did she love it! Nowadays, I could probably bang three asses a week if I was young and vibrant! Oh well, at least I get to see this new generation of slut make their ways in the world. I'd love to blow a wad in any of the babes in your magazine, especially Denise's wide-open gaping asshole! Thanks for everything! —Kurt in Portland

### PANTY AND CUNT LICKING

Dear J18: There is nothing hotter than two teen babes making out! Last issue's pairing of Liz and Lindy was so exciting. I could barely contain myself. When Liz pulled Lindy's panties down to reveal a perfect tight teen ass and cunt, I could almost smell it. Nothing beats grabbing a pair of undies right before you know you're going to get some action. I just want to cum on both girls panties and then fuck the daylights out of them. Which brings me to my next point: these girl's pussies are fucking perfect! Shaved, perfectly hairless slits that practically begged to

be licked and fingered. How these girls (and any girl, really) manages to keep their hands out of their cunts all day is simply beyond me. Man, you guys really know how to make a guy's dick hard and wear it the fuck out, if you know what I mean! —Timothy B. in Dallas, TX

### THE GROUP THING

Dear JUST 18: As a lifelong futbol fan (It's not fucking called "soccer"), I want to thank you for having a World Cup themed set last issue! I have dreamed of seeing an all-girls team going to fucking town on each other my whole life. Something about athletic girls sweating on the field in their uniforms gets me fucking going. When they started playing grab-ass with each other, I couldn't wait for the filthy story to unfold! Then, to have eight girls licking each other's slits in the showers was way too fucking much! Goal? Goooooooooooooooooaaaaaall! Fuck yes! —Ramon F. from Jersey City, NJ

### BOAT SEX SUPERSTAR

Dear J18: I used to own a small boat in Narragansett and would bring girls on regularly to fuck them out on the open waters. There was nothing better than it; you and her out there alone. Man, eating cunt and jizzing all over tits or warm wet holes in the hot summer sun. Those were the good ol' days and last month's Angel and Thomas boat fuck sure took me back! Thanks for reminding me! —Jeff from Rhode Island

### HARLEY RIDER

Dear J18: That girl Harley was crazy hot last month! With those cute little glasses she looked smart as shit and with those dope tats, she looked like she was down to fuck! I thought about stuffing my face right between her cheeks and eating that ass until she begged me to fuck her! Straight up, I woulda fucked her pierced pussy and jizzed so deep inside of her, she woulda burped cum. Holla! I know you think younger people ain't buying your stuff, but trust me, we are! I'm trying to figure out who to fuck when my album drops and sells a million copies! Yes, yes, y'all! —M.C.X. from Brooklyn, NY

### BEAVER-RIFIC!

Dear Just 18: I know the trend for most girls these days is to have a shaved slit, and that's cool as anything by me. But, it must be said that sometimes, a little beaver hair makes things a little sexier, no? Bianca's layout last issue reminded me of some far out times! A pussy with some hair is just a little filthier (in a good way, mind you) than a shave job. It smells a little different; tastes a little different. Maybe it's just me, but cumming on an honest to goodness muff is pretty fucking exciting. Yes? —Colin from Orlando

NELLA

**E**very time I come to the mountains, guys are hitting on me! They're always trying to convince me to come back to their rooms, but I always want to fuck them in the great outdoors! See? My tits, pussy and ass can take the cold! Can your cock? Oh, I see; the shrinkage thing. Well, I'm sure if I wrap my lips around your pole and start sucking you off, you might be able to somehow manage to stick your meat inside my tight little holes, right? Maybe you want to lick my sweet 19-year-old cunt while you're at it. Don't forget to take a stop at my tight little asshole, too. And then, when you're done pumping me with everything you have, you can either spew your load inside my hot pussy or drop it on my little twin peaks. Get it? Come on out and play with me! Don't be afraid of the cold! I've got a million different ways to keep you and your cock nice and extra warm with my holes!

# KARLIE & CHUCK

**I** was feeling so tense I just had to get a massage. Finals just ended and I was going to start my summer job in a couple days and everything was so fucking stressful. So, I go into the spa and Chuck was waiting for me. He's been working me over for the last few times and we were definitely attracted to each other, but as a customer, we could never do anything. Well, last week, he told me his boss was away and we were the only two there. I was fucking wide open the second he said that. Chuck's hand spread my cunt and asshole open and lubed me up with some exotic oils. He crammed a finger into my slit and that was that. I spun around and yanked the cock out of his pants, and my pussy was opening wider than it ever had, waiting to get filled. I deep-throated his meat then commanded him to fuck me. He rammed me for at least 20 solid minutes! He spewed his cum all over my mouth and just like that, our time was up. What a tension reliever that was! 🍆

# HORNDOG'S NOTEBOOK

## HER FIRST NEW YORK ORGASM

By Bonzo  
the Shutterbug

"Here's what happens to a middle-aged photographer who meets a restless young tourist in Times Square, a girl named Libby who manages to get away from her parents for a little erotic adventure in one of the world's most fabulous cities!"

The girl had a scowl from the moment she walked into the fast food joint in Times Square to order one of the combo meals. There was jaunty piano music playing on the PA system the kind of nostalgic things like "East Side West Side" that call to mind the storied and colorful New York City of the distant past before it got turned into a stew of miserably faceless skyscrapers and pedestrian plazas. I was sitting at a table eating a grilled chicken sandwich and trying to decide if I should go to a strip club to while away a few hours after a long week's work photographing head shots for actors.

The girl kept scowling even when the counter girl was nice to her, bringing her a soda and burger. I wondered what the chick's problem was. When she plunked herself down at a table nearby, she saw me looking at her and kept scowling, but then suddenly got up and sat down at my own table.

"Parents, ugh," she said, unwrapping and biting into her hamburger. "A person comes to New York the first time, she wants to enjoy it. Parents make that impossible."

I hid my delight at her unexpected approach with wry detachment. "I'm always glad to hear the problems of struggling young women," I said. "Do share."

She laughed. "Ha-ha, I knew it! A crazy sense of humor. I could tell by that hat you're wearing. You look like an old-time movie detective. That's why I've come to you. I bet you're a good listener."

"Please explain," I said, sipping my coffee and pushing my fedora up on my noggin a bit, to show I was giving my brain breathing room to assimilate her problems.

"Eighteen is too old to still take vacations with your parents and younger brothers, right? But no, I thought it would be okay, they'll let me roam around on my own a little. That shows how smart I am. I feel like they keep me on a leash. I had to start a real fight when we got back to the hotel from the South Street Seaport, and get them so disgusted with me that they told me, 'Get out, get out, Libby, just make sure you're back by midnight!' It would have been so much nicer if they just said, 'Have fun exploring and see you later,' right?"

"Quarrels are a drag."

"So I have a few blessed hours on my own, at last! We've been here three days already. I've had enough of the museums and tourist crap."

"You're looking for the edgier New York? I can offer it, Libby."

"Hey, I don't want to end up a headline," she joked, taking another bite of her burger.

"At least I can show you a view of the Empire State Building

from the roof of the building I have my studio in."

"Studio? You're an artist?"

"Photographer. I do commercial stuff: head shots for actors, singers, product shots."

"Great! I knew you weren't just another lawyer like my father. Take me to your studio, Mr. ."

"They call me Bonzo the Shutterbug."

She laughed. "Man with a hat, lead the way!"

Ah, eighteen and going on her instincts! You gotta love these adventurous teens. As we walked through Times Square, I gave her a little verbal tour of the naughty sleazy delights that used to be there: a litany she enjoyed for its flavor like birthday cake. "Oh wow, peep shows and hookers and sword swallowers! You saw Times Square when it wasn't square!"

"That's putting it accurately, Libby. Now let's turn down this street, my studio's only a couple more blocks from here."

I have a space in one of the few old walk-ups still left near the Square. I took her up to the roof first, so she could be dazzled by the jutting rocket view of the Empire State Building in all its colorful lights. There's something about seeing this landmark from an unexpected private spot that always gives people a special thrill.

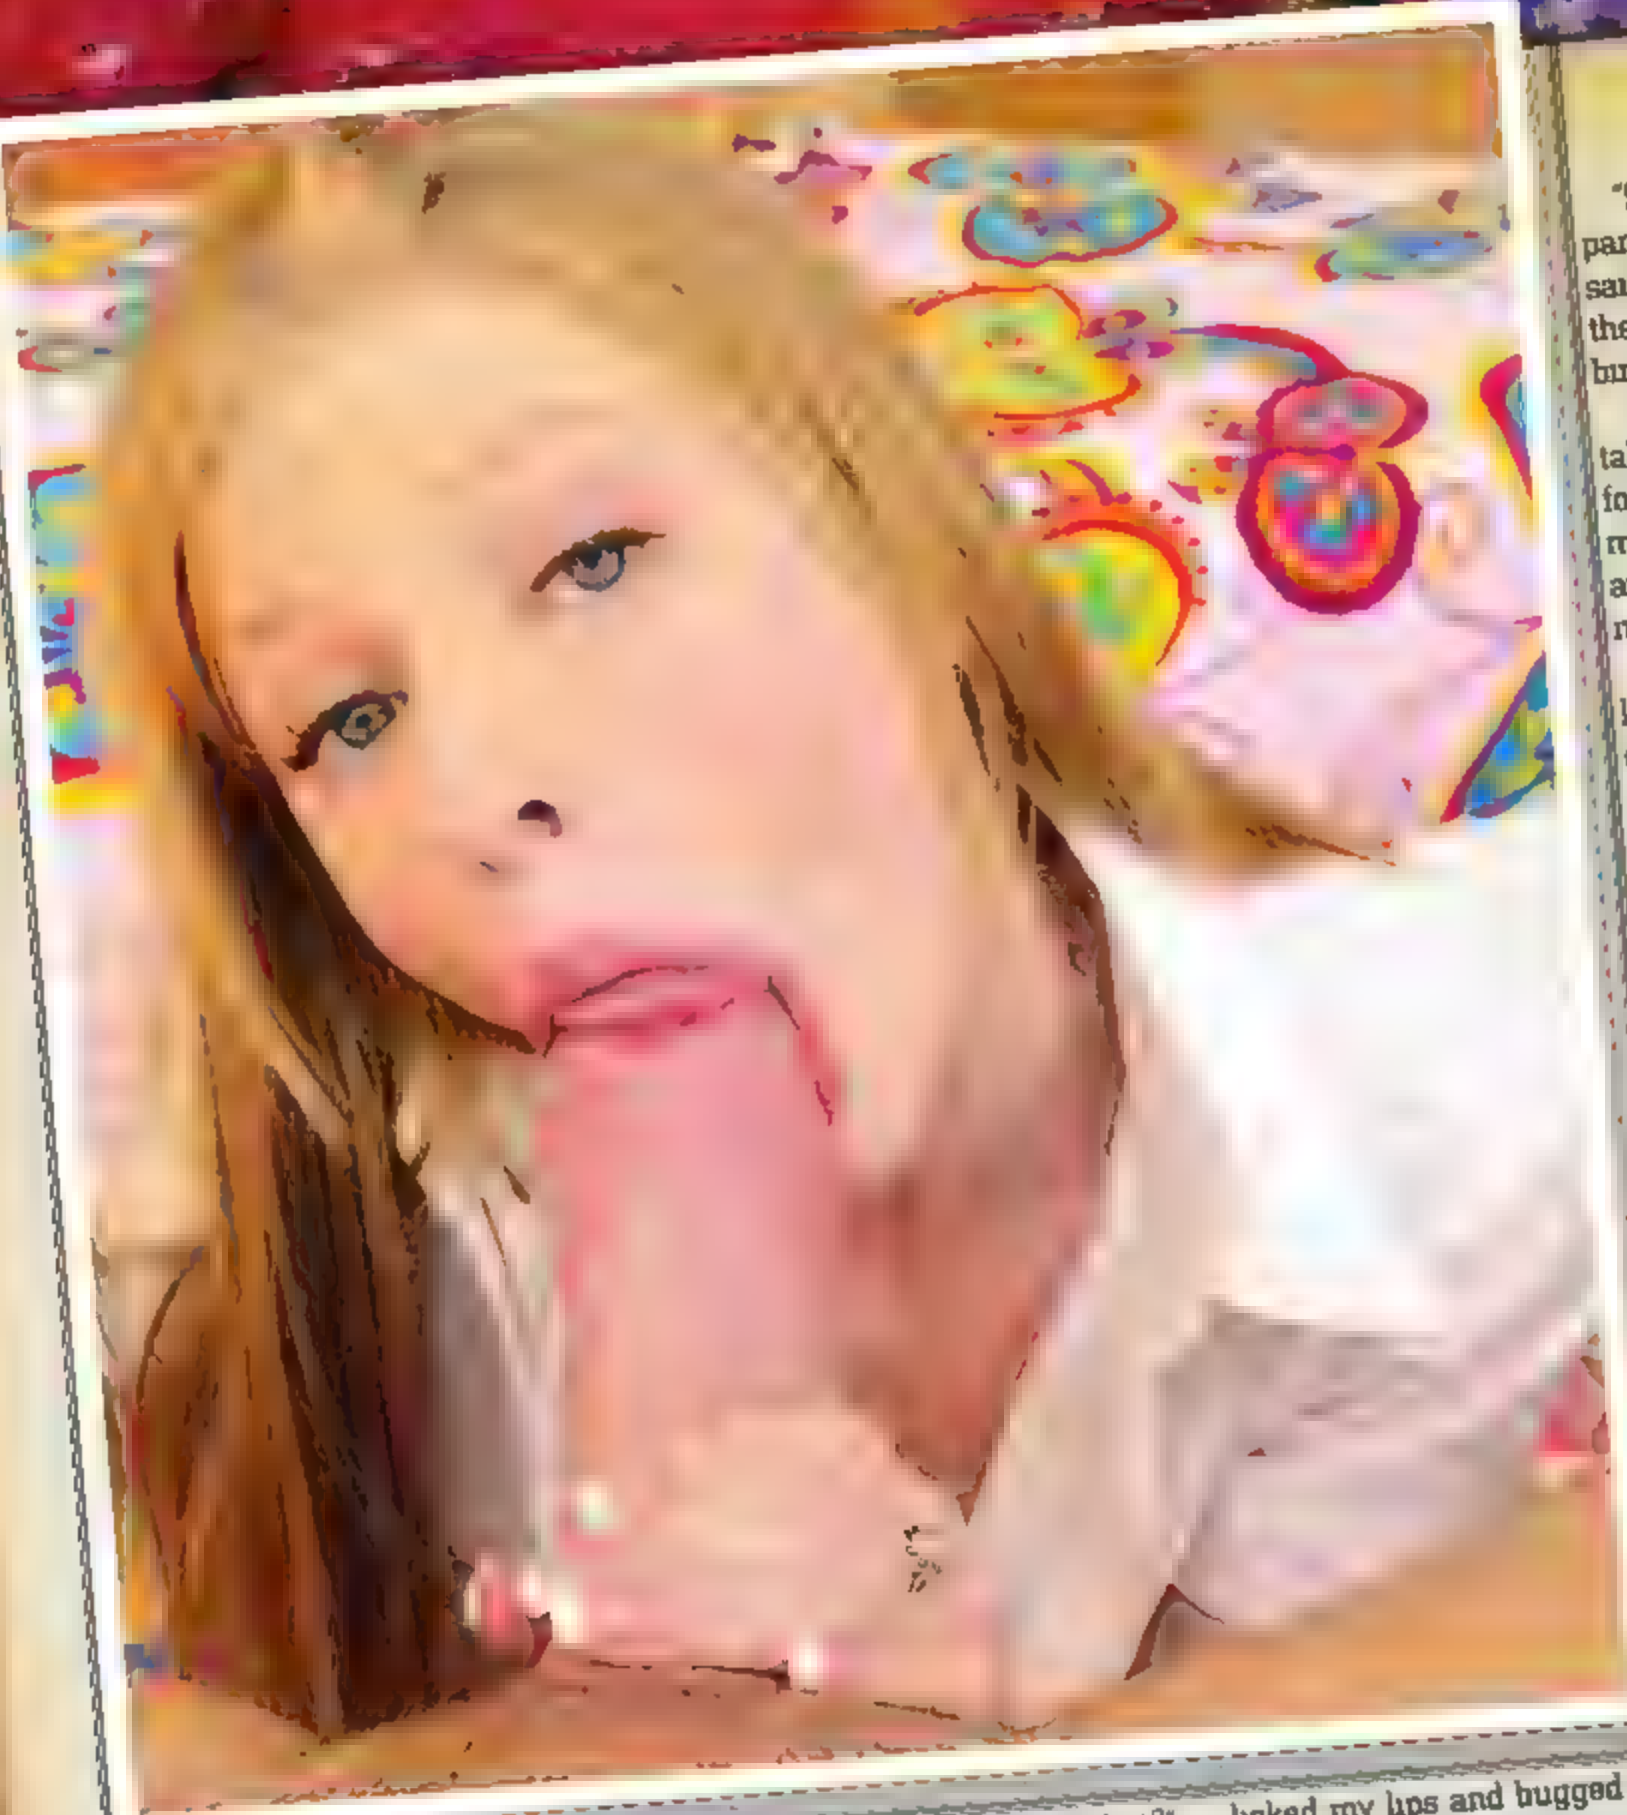

"Now let me see your studio," Libby said.

Well, I did exaggerate a little. The "studio" is kind of small, and I just have a small cot in the back where I sleep. But nonetheless it is a proper studio with lighting set-ups and equipment, and Libby in all her youth was duly impressed. She looked at the various

head shots I had framed on the wall. "Could you take my head shot?" she said. "Maybe I'll come back here and be an actress someday I'll need a picture!"

"Sure, let's do it," I said.

She began to take off her clothes. I knew I should have said something before she slipped off her bra, but I was too stunned with horndog delight to open my yap.

"Why are you staring at me?" Libby said.

"Um, you don't have to get naked to do a head shot."

"Oh, I don't want to do things the way everybody else does. Other girls would have been happy to tag along with their parents on a New York visit, but not me! I'm a rebel. I see and do things differently. Like you, with your hats and this little closet of a studio near where they drop the New Year's Eve ball. We're rebels together right, Bonzo? So I'll take my head shot nude." She pulled off the rest of her clothes. Her eighteen year old nakedness was inspiring. Her sweet little knobs with the crinkly nipples, her taut tummy, her pouty little mound between two graceful thighs. Her ass like a peach. Thus Libby took rebellion seriously and nakedly!

"But I'm nervous, Bonzo. Taking a head shot. I want to be relaxed. Can I masturbate first? That'll calm me down."

"Certainly," I said. How strange teens can be. "You can just stretch out on my cot."

"I'd invite you to fuck me but I don't know you. I mean, not well enough, Bonzo."

"Ah, Libby you do have an old-fashioned side. I guess!"

"But what about you, Bonzo? Will you be able to concentrate on taking the best possible head shot if you're horny for my body?"

"It might be a struggle," I admitted.

"So take off your hat, lower your pants, and whack along with me!" said Libby plopping herself down on the bed, spreading her legs, and rubbing her already moist clam.

I placed my fedora down on the table with my cameras, then reached for a nearby folding stool. I unzipped my slacks and dropped them to my ankles, then took my pecker out of my boxers and began stroking.

Libby looked at my cock and licked her lips. "I like to look at cocks. I don't have to suck or fuck them all to enjoy them."

"That's very mature of you," I said, holding my sac while pulling my meat. I concentrated on those lovely boobs of hers, which she rubbed and tweaked. They looked so suckable.

Libby turned on her tummy on the cot. Her booty was so round and firm, my digits ached to part the cheeks to see the rosebud treasure within. But maybe part of the turn-on was knowing we were keeping our distance from each other.

She snaked a finger underneath herself and rubbed her pussy that way jutting up her butt as she crouched on her knees. "Wow, this'll be my first New York City orgasm!" she said. "And then I'm sure I'll do some lovely pictures."

Not as lovely as the pictures I'll carry forever in my memory. I thought tugging on my inches as I

licked my lips and bugged my eyes at this amazing eighteen-year-old. "Oh I can't believe how wet I've become so quickly," she said, pressing her face into my pillow. "I don't think I'm going to be able to hold back too long," she whispered.

"Let go at will," I said. "Follow your bliss." I certainly was.

She even had cute soles, scrunched and curled as her loins obviously tightened with approaching climax. I could've kissed those pretty feet, but again restraint was the better part of valor in this case. It didn't matter anyway. The pre-cum was leaking all over my tip and down my shaft, and I was seconds from take-off.

"Ohmigod," gasped Libby, twisting around onto her back again, her toes digging into the cot, as she lifted up her crotch with each stroke of her fingers until finally she let out a long cry and exploded on her hand, actually spraying out gurlie fluids too. Ah, these teens and their G-spots.

That was my cue too. I spurted like a man much younger than my years, lifting myself off the stool and aiming my meat toward the floor just like I used to do in Times Square peep shows. Old habits die hard.

"Oh Bonzo," she said, "you came as hard as I did!"

"Is that a surprise?" I said, blinking as my heart began to return to a normal rate of beating. I slumped back onto the stool, even as I reached for my fedora and replaced it on my dome.

"That was the most exciting moment of my New York trip so far," said Libby. "Too bad I won't be able to tell my parents about it!"

"Yes, I'd advise discretion," I said.

"Can we start my head shot soon?"

"Whenever you want, boss," I said, smiling at the rebellious young tourist. I sure was glad I wasn't one of her parents, though! 🍌

**Z**arina's 19th birthday was one to remember because her BFF Marta shared her boyfriend with her. Zarina's sweet little slit was licked, fingered, and fucked as Marta tongued her pal's cunny and boyfriend's nutsack. Holes were stuffed intermittently and moans of lust were constant. And when the spuzz was dropped on Marta's mound, Zarina, very thankful for the birthday bash, licked her friend's slit nice and clean. Happy Birthday, indeed! 🍆

**M**y mom and dad were on vacation for like the third time in a month—he's a salesman and always gets these great trips—and they always leave me behind 'cause they want me to finish senior year with honors and all that crap. The thing is, I'm 18 and I can do whatever, right? Right? So while they're away, this sweet, innocent, honor-roll daughter is having sleepovers with some guys getting her little pussy stuffed and screamed! Every night they're away, I'm getting an education in how to take as much cock in every hole as I can! And just like school, I'm definitely getting onto the honor roll! In fact, I just got an "A" for sex! last night! 🍆

# Meddie & Dupree

**E**very good girl deserves to get laid! Meddie's been extra good as of late and Dupree has certainly noticed. When Meddie finished her finals and made it to the top of the class, he snaked his cock deep inside her clam and gave her a banging she would never forget! And when she got into her awesome college intern program he slammed her pussy so much, she came four times! For Meddie, the reward of doing good usually finishes with a big creamy batch of jizz somewhere on or in her. Not a bad situation for such a good girl.

HOTIA

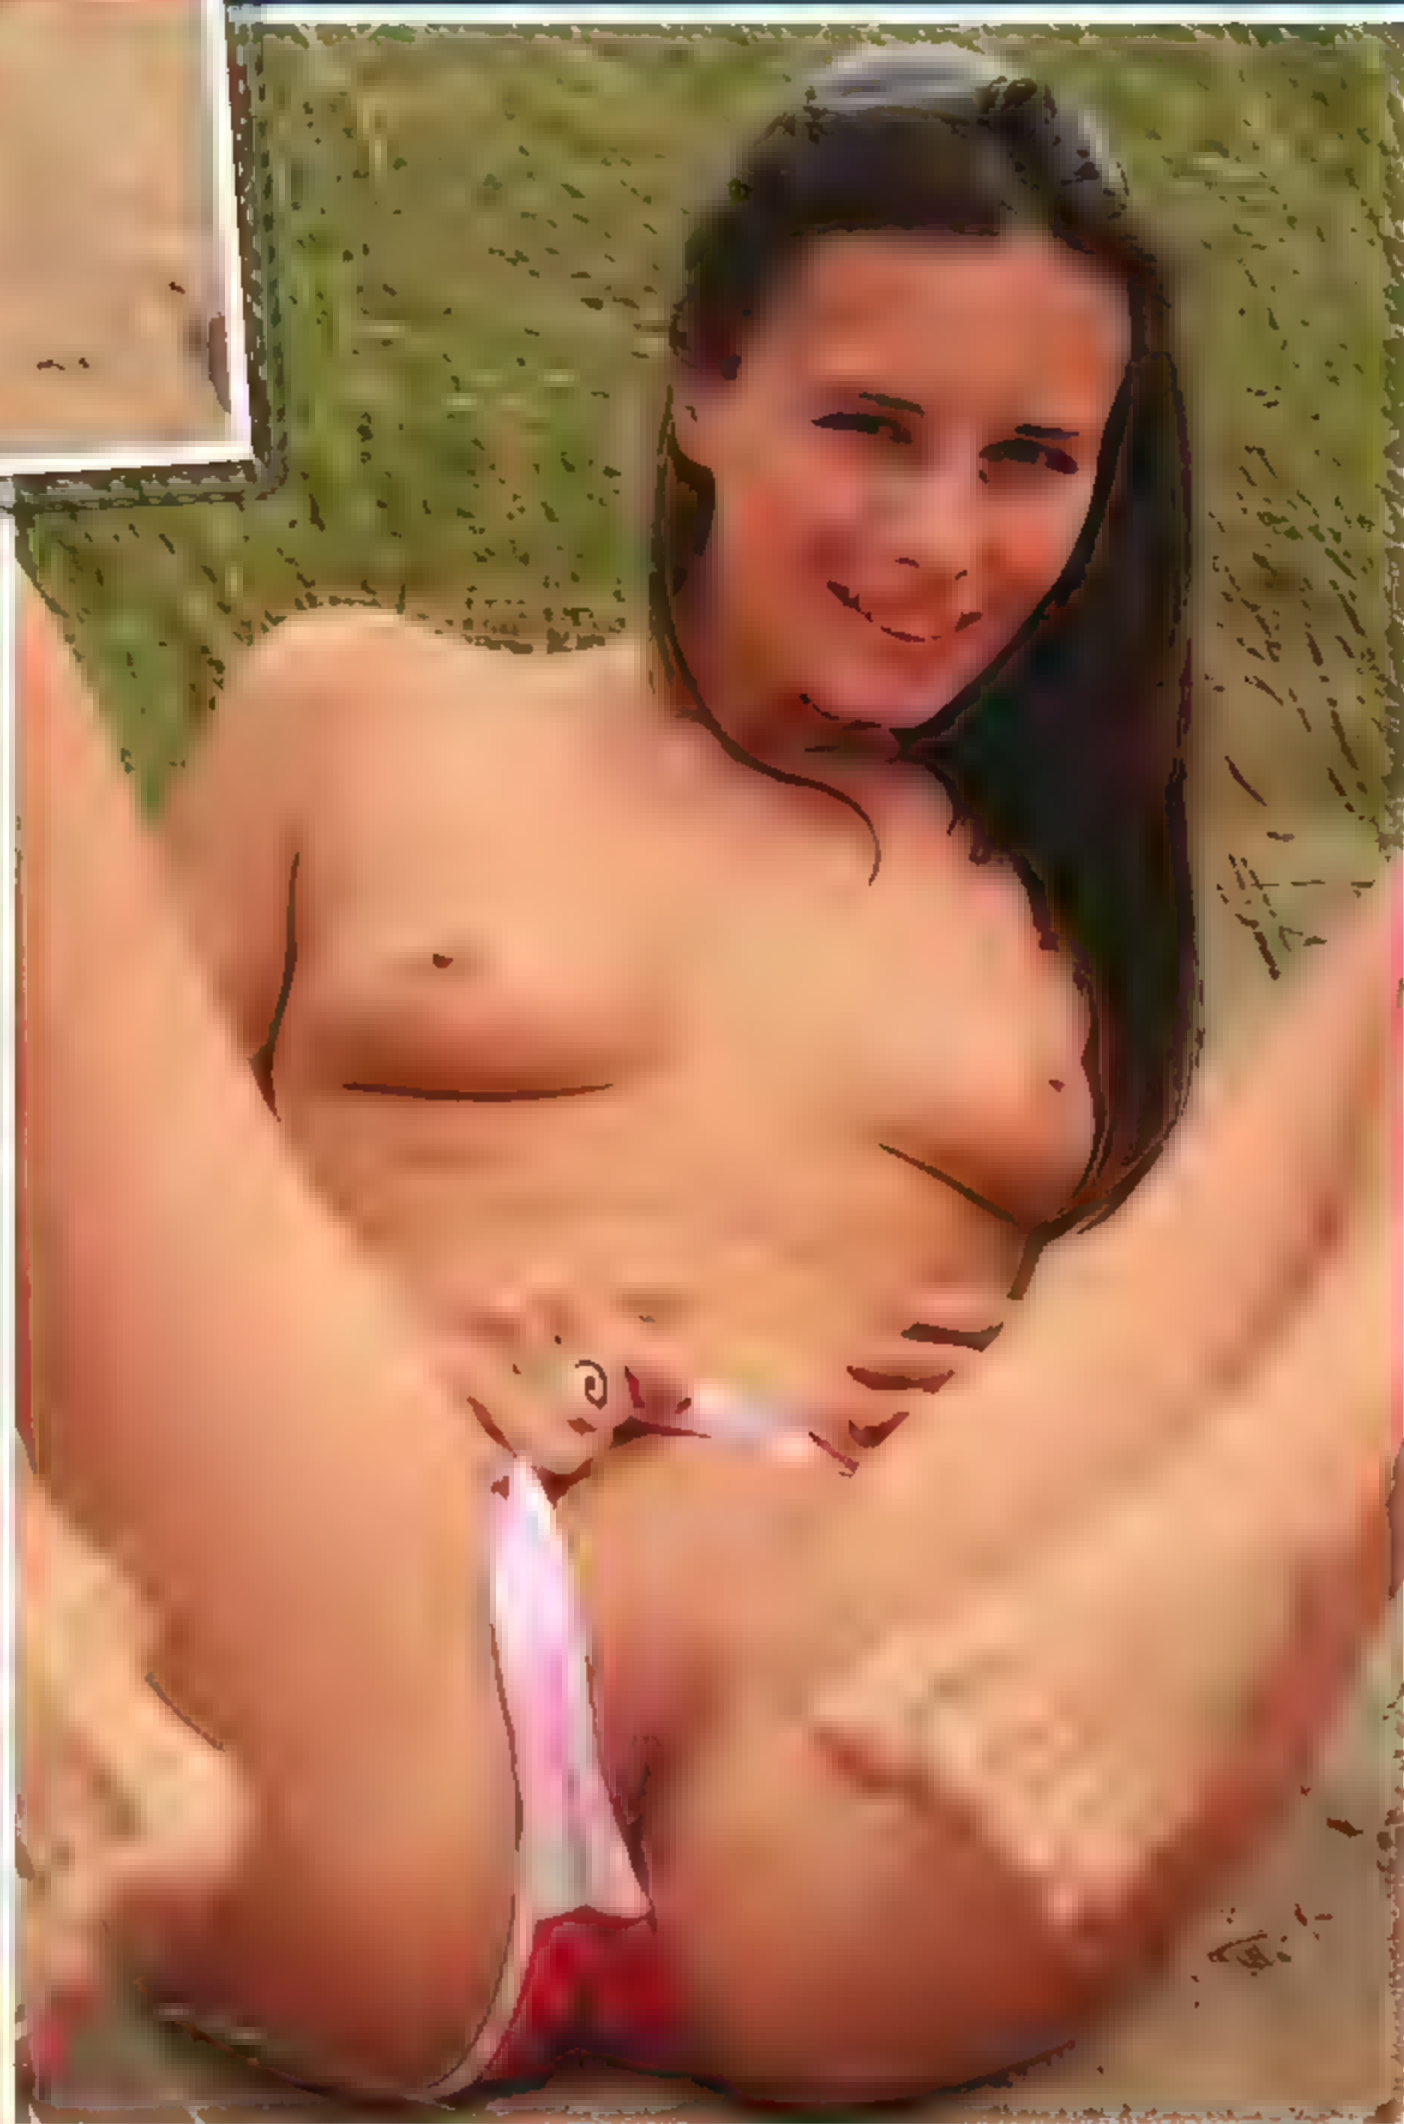

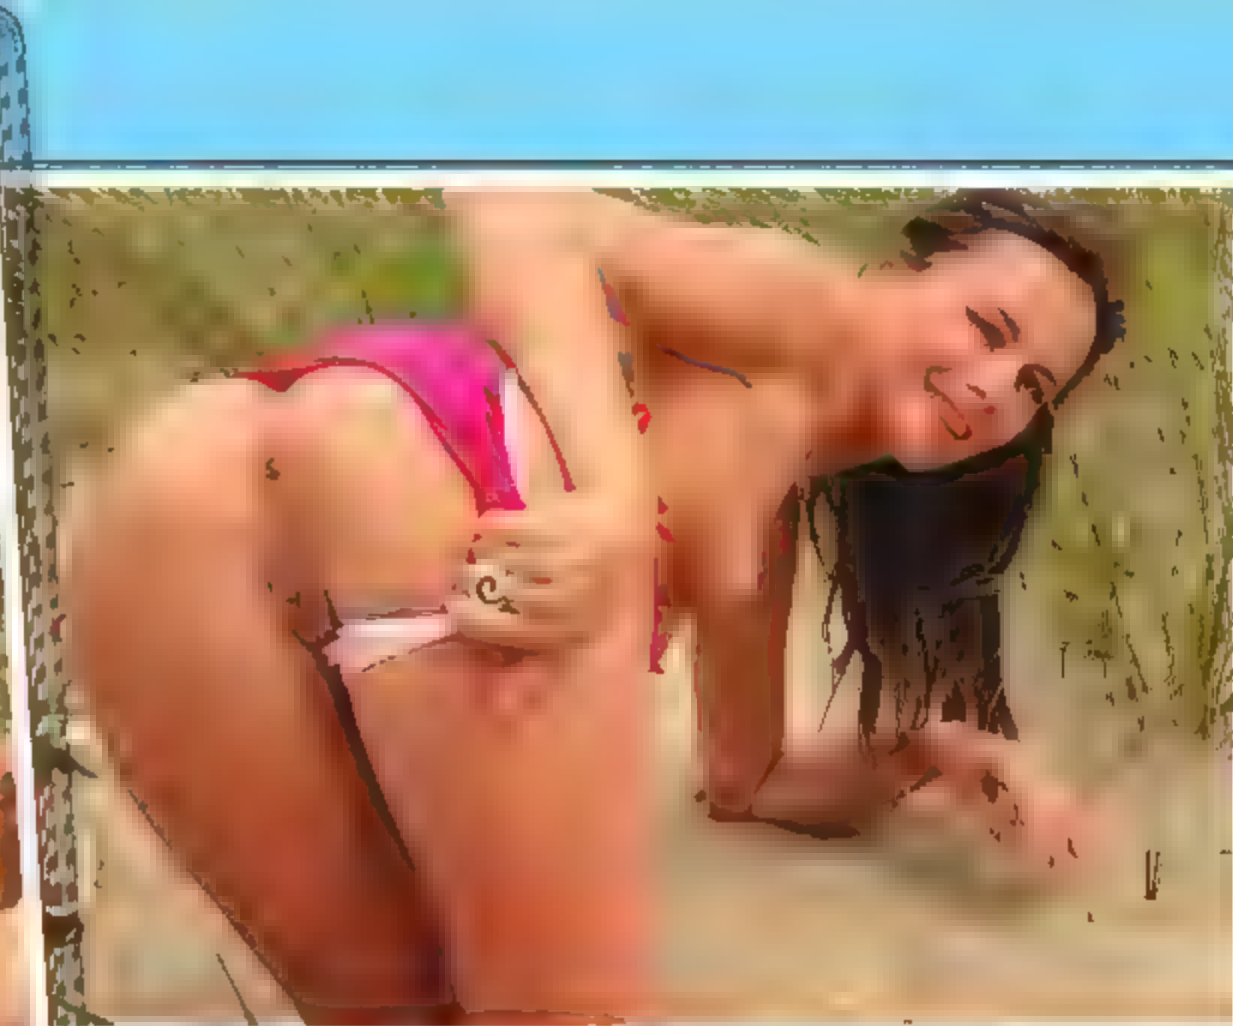

**T**here's something about the summer months that get guys and gals extra sexed up. Take Lola for example. A quiet walk on the beach can turn into an all-out cunt cramming! It could be the summer wind or the roar of the ocean, but we like to think it was more than likely a result of Lola's tight cut-off shorts, perky bra-less tits, and wet pussy. Yes, anytime you add pussy into any equation, indoors or out, you're usually going to cum to the same conclusion: it's time to fuck! And there's no better way to spend the day than on the beach eating and fucking some prime pussy! Ah, summer! 🍷

**T**ruth or dare has always been a favorite game for Kani and her boyfriend to play. Lately, the dare has been for Kani to take it up her sweet little asshole and she's always ready to accept the challenge! Needless to say, Kani's butt-hole has been through the fucking ringer lately but has performed perfectly; she's even working on her porn star style gapel! Top it off with an anal creampie and that's what we call a challenge won, dear readers! 🍆

# BROOKE

**A** lot of the guys in my senior class think I'm a total virgin, so they never ask me out 'cause they think I won't put out. Ha! I can't wait to fuck! But, I have to get some slut points for doing myself, don't I? I mean, I can fit three fingers in my hole and really make myself cum a whole lot! And every time I grab my nipples on my big sloppy titties when I'm getting my fingers all sticky, I get an extra little charge in my clit and before I know it, my tummy is shaking and my pussy is cumming! I guess it's those idiots loss, though, 'cause if my cunny could talk, it would say it puts out like crazy! I just wish these guys would ask me out so I could suck and fuck them and get rid of this stupid virginity! 🍆
